1. Chapter 1

Chapter 1: The behiong

aSH WAS A GREAT POKEMON MASTER NOW. he was the best like no one ever was he had many pokemonz and such. also he had a g/f named keitha because misty is a stupid bitch. it was one day while practicing keitha laughed in her evil accent as she unleashed ekans to spar with ash. ash gasped and looked shocked about it and quickly in a swift motion he pulled out his ball and excitedly yelled "pikachu i choose you!" it was den pikacho cvame out aND sent lightning to ekans."pika pika pikachuuuuuu" pikacghuy said angrily as he electrocuted ekans. ekans of course was a useless pokemon stolen from team rocket,keitha stole it from them because shes Australian and Australians are like that."ekanssssssssss" ekans said twitching from being electrocuted by pikachu, he was having a seizure like Ian Curtis, it was terrible, keitha was angry because ekans was her only pokemon. "HJAHA i won" said ask to his eevil g/f. team rocket was over in he corner sexing each other making meowtrh film it.

there was just not enough time for pikachu to try to help ekans as he was retreated into the balls."pika pikaaaaaaa" pikachu shouted sadly as he was put back into his ball. it was jusrt that pikachi had fallen in love with ekans and it was never a good time to tell a pokemona yuou loved them when in a fioght, this was very rude and to pokemon kind it was a Sin! was something Ash knew but he did not care. he actually got angry because he did not want to breed his pokemon because he was a selfish bitch like gis g/f! brock was walking upo to ash's to visit, he had 6 kids now with misty and still flirted with nurse joy. it was wrong but brocks wife got fat becauyse of all the kids and her boobs sagged. he ascaped by coming see ash,he

brought with him today magicrap to play with pikachu this was their usual hang out because they were bff and in pokemon its forever.

as keitha let brock in she was giving him an evil glare, keitha was not fat and had nice boobs because only her face looked austrrhjdamnn not her body, ash was happy to see his friend, he quickly got him a beer so he could watch UFC with him."So how are the kids and misty?" ash asked brock curiously he opened his beer and chugged it like keitha had taught him, it only took 56 seconds. yes ash hhad become a real man now, he was the most badass man there ever was. it was impressive even to brock so he often got love adviuce herre. brock sighed a fACE on him like he had just looked at very saggy boobs dfroim misty after the 6 kids."it is not going well ash, misty is fat now and our kids do not listen they act like me., trhey fart on each other all the time, none of them even want to train pokemon...ask...i...i think ... my kids are freaks!"

>brock said before sobbing. it was then ash remembered that he had a coupon for free plastic surgery if you bought breast implamta, so broke excitedly took it and put it in his wallet, he sat macicraps ball next to pikachus so they could hang out and be bffs. macgocrap spashed at pikachu, spashing over to visit in his balls, pikachu was happy and started to tell magicrap the things happening how he had to constantly beat up ekans whom he lobed ever since ash used the same coupon to get keitha huge boobs and made her body look hot like a sexy that askh ewas a stupid slave who let keitha boss him around, her evilness even scared team rocket that was why they always had sex instead in all the bushes and just ihnored the mighty ash! <p>

"pika pika, ...pika...pika..chu.."pikachu said sadly and looked depressed, magicrap was frowning as he listened to his tales of love and of evilness and ash being the worst human friend ever and always listening to his wifes boobs that were huge and spashed and tackled pikachu to hug him with his flappers and starter to give his pokeadvice."carp, carp, caaaaarp...CARP!" he said explaining in a very carinmg bff tone of voice this was to ressure pikachi ekans would forgive him becase all pokemon knew they were slaves and slavery is bad. magicarp alsopo told him how he got married to a jiggyluddf named lisa who was a chef after her nbattles and duels and this made him have the best had to admit he was a bit jealous of magicrap and his wife they had a better life thanm grown up ash had given pikachu who used tp be his best friebnd.

they were seperated quickly as brock ran joyfully with the coupon to go make his fat wife hot and with biyg boobs and not passed nurse joy and grabbed her toochus on the way. he rushed to get his wife to the plastic surgweon and they saw this wass an emergency so right away they gave her fat sucking, skin tightening and huge boobs abnd butt to make her sexy now,.then hew took her home and dud her like 9 times and she got mad because she might have another kid affter all that and her body and boobs were so nice now. asj was glad his friend was happy, he knew how great the surgery was and had a hot wife to preove it. it was then pikachu disobeyed coming out of his ball and shocking keitha and ash, keihatas clothes all fell off so you cu[ld see her huge boobs, ash fainted. ekans and ash then ran away to be together, ekans hissed with joy as they ran past jesse and james doing it, jesse had huge boobs too but hers wevre real unlike those fake slouts this was why james were happier than any other man ever, he was the very best at having a naturally hot wife. the two pokemon ran and hid in the bushes behind them knowing that jesse and james weird outdoor

sex fetish scared most people away so they would be safe a few hours. they got so happy seeing humans do it they quickly had sex by pikachu electrocuting and ekans biting, it scared jesse and james so bad they even stopped and grabbed their clothes running away in terror screaming, until they found another bush. "ekansss...pika pika!" they cried as the electrocution finished and they had to run away more because ash was mean and keitha made them fight all the time. they were in love so there was nothing stopping them this time. it was great to be free, all other pokemon had slaves and were slaves, pikachu and ekans knew with their love they had to stop this, slavery was wrong, it was a sin! it was not right to own anyone and anything! <p>

this was when they decided to make a secret group., in secret pokemn code they posted everywhere to meet in the secret sewers to free all pokemon.(the wild ones dont count they are already free) it was the start of the pokemon revolution, they would first be taking over...Lavender town!

A/N :stay tuned for more to see how lavender town goes.

2. Chapter 2-From Albi with love

Chapter 2: Lavender Town-From Albi with love:

A/N: I try my best to help You paint a picture in Your minds with my classy writing style. Picture in Your mind as You read the Tales and Adventures of Pikachu and Ekans! You ask my writers secret, I'll tell you after I get to 3rd chapter.

Lavender Town-From Albi with love:

Pikachu and ekans headed off to the lavender town, they knew they needed a secret meeting the secret sewers. lavender town was the saddest town, it had a gym leader magic in that town they made the memorial tower into a fighting arena it was still depressing the people had to visit their pokemon graves as they saw others battle in the middle of the big rooms. the gymleader there was had CHALLENGED ASH TO A DUEL FOR NOW. MEL was fierce and used her special perfect pokemon to fight and beat up many pokemon was called albi the racist dragon and he was so racist, which is wrong and it is bad you should love people for their heart and mind not their skin color kids!.Albi was still a really badass pokemon, maybe he was actually the best there ever was?! mel decided to get albi out for practice he hurt many feelings but she challenged badass ash and ash had to come and fight her he had to now use bulbasaur who was his second best friend they were awesome like Wildred and Ryan from wilfred, very close but not the best trust in them to be the very best, but ash knew he was the best.

meanwhile pinkachu and ekans were getting dressed up in the uniforms to revolt and make sure pokemon could have rights and be equal, but not just girl pokemon, pokemon of all genders to make sure everyone was equal and could be happy knew the gym leader here was every bad ass and they had to stick together to make sure the pokemon could all be trusted. they knew to stay away from albi the racist dragon he was so racist he was against other pokemn. pikachu looked at all the ekans. the uniform made ekans

realize he dis not only love pikechu he thought ghe looked amAZING IN his uinidform and he asked pikachu what he thought of his during a break in thwier meetint to get freedom becayae slavery is bad! "pika chu!...pike, pikaaaaaa!" he was giving his speech thempaused to see ekans,ekand also had the best unidoem and ooked grear to pikwaxchu.

"ekansss ssssssss ekans." ekans hissed to pikachu wirth coyness. it was then pikachu blushed knowng how handsiome he looked to ekana, ekans recieved the same complimemt about lkooking sexy, but wait the thinsd was ekands was thought to be a boy she was offened the whole time she had been a female argued for an bit the ekans and pikachu had secx to make up and be in lovfe again. it was making everyone happy, but after they were done they started to plabn to free the other pikemon. magicraps was there as an assistsnt and to help operaebtion freedom."carp carp carp." magicart explained a plan to try greeding the pikemon to the freedom tro joinb anf fight! they planned ti forst try to get albi on their team, bnut it was too late when they got in ask and bulbasaur was fighting mel and albi ands mel was doing best, lbi was so crazy racist that he made bulbadsay cry. it was a losing battle until over the inrewrcoms would be pikachu! "pika! pika pika! pickachuuuuuuu!" he said to all the pokemon to hear. the pokemon thwn thought on it, mel and albi were mean and beat them uip akl the time so most of them took out their secret guns. blastoise used real bullets in his cannons Nand they all looked menacinaly to the homan slave masters that kept them so long.

the pokemon went into super defense stances and just them psyduck made the head of mels husbnad explode partly, doug had hurt feelings like all people get sometimes and sobbed on the ground, mel looked around for ruval gym leaders bret and jemaine then checked on doug, albi came and rescued them by flying away with them to safety, the batytle was mel albi and doug were safe! ash turned to see the fighting and him and bulbasaur who was a traitor like albi ran out and fled angrily as they never finished the battle, the other lavendertown peoplwe were screaming and ducking on the floor in fear. it was then they heard the speech which no one could undestand."pika, pika ,pika chuuuu pika!" said pikeschu seriously pointing a 9mm handgun at a citizen nurse joy. "ekansssssssss!" said ekans biting and poisoning a child who died very humans were terrified as pokemon freed their brothers and that song like in one of the movies "brother my brother what are we fighting for?" came on and started playing as they freed them all like a sad dramatic action movie montage which was beautiful! it was fantastic! all the pokemons got uniforms and guns, some had great people of lavendertyown except jessie and james who were having sex in an old abandoned building ,were held hostage, enslaved, pokemon were taking over and running it as feee pokemon!

as they stormed the pokecenter pikachu shot a man standing inline in the face and killed him instantly!bloodsprayed against the wall and the staff doctors and nurses at the desk, his eyeball was out and he fell limp, with a klick ass shot where pikachu could see through his head out his eye socket as he fell dead and a huge blood puddle spread out, pikachu then shocked it killing 3 others standing in the blood and they fell to the ground twitching and dying from being shocked to death. everyone else held their handas up terrified."ekans ekans!" said ekans as he demanded to be led to the people in charge in a hateful evil tone. the scared nurse took him quickly and fearedly to the office in the baxk where giovanni was. he sat with a

gun held to ekans, ekans was ready to strike, nurse joy hid out of the way!. ekans hissed and giovanni replied "no he doesn't know that and i will find him in Viridian city!" Ekans hissed knowing an evil secret to tell ash if he could beat giovanni to Viridian city! "ekanssssssss" the she-Ekans hissed as giovanni ran away like a bitch in his jet pack.

Pikachu became president of lavendertown and sat at as cool desk smopking cigars and ruling people, he turned that one nurse joy with the biggest bouncy boobs to be his secretary. he also made her let him and ekans ride in her cleavage because they were now crooked perverted politicians. it was bloody, but it was about to get a whole lote bloodier when they made their way to the same place ash was headed viridian town which was really just auckland and new zealand ... rocks! the truth was the gym leaders waiting there were musiciansd and they used weapons of music and music pokemans and they treated them all nice so the pokemon were loyal and lovbed the gym leaders bret and jemaine who dressed in Bowie clothes, the boom king badge was coveted and wanted by all, even the pokemon freedom fighters wanted the boom king badge to go boom at the break of boom.

however this badge was hard to get since the gym leaders were very musical and kind and not mean or australlian, thjey were best friends to the pokemon and had tea parties and cake with poikemans and hobbits and even were so hypnotic with the magic music it made womens boobs grow hugew and sexy! so everyone stared at the women there and the women had new zealand faces too so they were nice looking and kind and polite also. the whole city was a pokemon paradise the pokemon were free!

>Pikachu and ekans did not predict this problems or know that this awesome place ot people existed and were cool and very kind to every pokemon and hobbits and evem dauron and they wrre nice and gave his mouytrh toothpaste so that he could get rid of the scury. reports by jiggly puff who lovbed them and music got back top pickachu...pikachu magicrap and ekans loaded their guns, knowing thwy even needed to tke over here and get boom king badge, but they was busy also in the hot secretary cleavage with big sexy boobs.<p>

"pika? pikachu?" pikachu said seriously, maybe these other gym laders were their match and they would losrt and be slaves again., it was then pikachu looked all bad ass like the terminator and put his gun in its holster, letting all of the p9kem,ans know it was their next destination, they would have to kill bret and jemaine the pokemon were... brain washed! an extremely violent battle between gym leaders, pokemon trainers and pokemon would have to battle to the death, and let only the sexy big boobed women live! little did they know keitha was with ash who was also headed there and she sexed ash often with her sexy huge boobs and tricked him to do as she said! ash was out to kill and rob aucklands gym! they were close near pallet town, they would arrive soon! Keither laughed evily and looked to ash leaning over so that her boobs were hanging all sexy and big as she leaN OVER."ash I want that badge but we are going to rob them because they are stupid and from new zealand and I am evil and australlian it is what I do. I am going to murder them myself if we do not rob everything even their talent!" she revealed having a magic pendarmt like that sea witch had to steal ariels voice in the little mermaid but it would be stealUNGH the gym leaders talents after they robbed them blind because keitha was badass like a man and made everyone feel like bitches after she beat and robbed them. she was even

capable of MURDER!

(A/N: Ok so more soon, I did not want to make it too violent yet, just a taste as you follow Pikachu,Ekans,Ash and Keitha to the ultimate showdown! next chapter not safe for children, kids do not read past here ok?)
